

Traders Arms, Mellor Covid-19 Safety Statement

Our doors are now open, and we are happy to welcome you back. You may find things a little different. We have been doing everything we can to make sure that returning to the pub is welcoming and friendly whilst also putting your safety and that of our team as the number one priority.

When you arrive, you will be asked to wait at the door to be seated and encouraged to use the hand sanitiser. We will ask for contact details from a member of each party as per the Government guidelines to collect information to 'Track and trace' if needed.

All drinks and food orders will be taken by a member of staff at your table. Sadly, there will be no visits to the bar. We need to reassure you that care and consideration have gone into spacing the distance between the tables and positioning of the chairs. At every stage, we will be regularly cleaning and sanitising to keep everyone safe.

Wherever possible, we would prefer to take contactless payments.

Opening hours may vary slightly for a while, so we would advise you to check with us. We ask that you please bear with us whilst we find our feet at this unusual time, and we look forward to seeing you all again soon.

Stay safe and happy. Cathy, Simone and the team.
